

Membership Events Committee AGM Report 2022-23

Three events were held during the year.

1) Festive Dinner

Held December 11, 2022 at the Blue Ocean Golf Club.

2) Arena Bowl

Held June 24-25, 105 participants played a total of 193 games. As Ted announced in his email to the membership post-tournament, the event was very successful, with good volunteer participation and support from local grocers. The food was very much appreciated by the participants, and many comments were made about the smooth organization and operation of the event.

3) Dinks and Drinks

Held September 9 at the Sunshine Coast Arena Multi-Sport Facility, with a follow up social at Joe's on the Beach. There were 50 registrants for the tournament and 45 attended the event at Joe's. Carol Mollerup and Carolyn Oughton organized and ran a very fun and successful day.
